A delicious way to support our youth mission trips to serve with the Appalachia Service Project.

Our youth travel to Central Appalachia every other year, helping keep homes Warmer, Safer, and Drier.

The Appalachia Service Project is a home restoration organization, providing critical repairs to raise homes out of substandard condition.

Thank you for your continued support of this life-changing experience.

If you would like to donate a soup, please sign-up in the Narthex. Please bring your soup in a crock pot or slow cooker.

DISASTERRELIEF ATWORK Frances Duby volunteers with D.R.A.W. (Disaster Relief at Work). They are collecting plastic grocery bags that they then cut up and weave the pieces together to make tote bags for survivors of disasters.

There is a box in the Narthex to collect bags. If you are interested in helping D.R.A.W. or if you would like to cut up the bags. Please speak with Frances. If you do not know her (she is one of the 9am worship ushers), feel free to contact the office.

October is Pastor Appreciation Month

Let's show Pastor Brian how much GBUMC appreciates him by recognizing his contributions and services to this congregation.

His "Love Language" is Words of Affirmation.

- Write an encouraging, heartfelt letter, card or note.
- Tell him what you've learned from him.
- Thank him for something he did or something he mentioned in a service or a prayer that resonated with you.
- Sometime during the month tell him what he said or did that touched you.
- Perhaps your own idea?
